

Aplikasi inaproac E catalog LKPP Tahun 2026

The screenshot displays the INAPROC account management web application. The browser's address bar shows the URL <https://akun.inaproc.id>. The user is logged in as 'DS dewisusanti81'. The main content area features a large blue banner with the text 'AKSES SIRUP AKAN BERUBAH!' (SIRUP Access Will Change!) and a sub-message: 'Akun SIRUP akan dialihkan ke Manajemen Akun INAPROC' (SIRUP accounts will be migrated to INAPROC Account Management). The banner includes an illustration of two people and a QR code. To the right of the banner, there is a section titled 'Kelola Informasi Utama Anda' (Manage Your Main Information) with a sub-header 'Perbarui data penting seperti NPWP dan username agar akun Anda tetap valid dan terpercaya.' (Update important data like NPWP and username so your account remains valid and trustworthy). Below this is a 'Penyesuaian Data' (Data Adjustment) section with a link 'Ubah Data NPWP' (Change NPWP Data). On the left side, there is a sidebar menu with options: 'Beranda' (Home), 'Manajemen Akses' (Access Management), 'Pengaturan Tanda Tangan Elektronik' (Electronic Signature Settings), and 'Pengaturan' (Settings). At the bottom of the page, there is a footer section with contact information for 'Pusat Bantuan' (Help Center), 'Whatsapp' (0811-1557-709), 'Email' (layanan@lkpp.go.id), and 'Bekerjasama Dengan' (Working Together With) Balai Sertifikasi Elektronik (Electronic Certification Agency). The system clock in the bottom right corner shows 3:17 PM on 7/14/2026.
